

CWS2031W Sexual Abuse Investigations Transfer-of-Learning (TOL) Day 3

1. Child Interview Considerations

What accommodations are made in your agency and child advocacy centers when interviewing children with disabilities?

What are the services available in your locality and child advocacy center for children who speak a language other than English?

2. Practice searching the Sex Offender Registry

Go to the Virginia Sex Offender Registry and search for registered offenders by your zip code. Click on at least three individuals, click on the crimes for which they were convicted, and read the description in the Code of Virginia.
